

One Youth, One Adult, One Life at a Time

Dear Pastors and Ministry Leaders:

Everyone in ministry has seen the tragedy of a broken family and the devastated lives left in its wake. The most overlooked in these families are often the children who are sometimes left fatherless, motherless or without either parent. These children are our modern day orphans -- whether they are in our pews or in a home unknown to us in our own communities. These orphans are now growing in number as the number of children born to single mothers has surpassed thirty-eight percent*.

Tim Spoleti Tim Spoleti is a man called by God to help Churches reach these children. Tim started this journey as a mentor for a Christian mentoring ministry in New York. As he invested his life in a young man, God moved his heart to help churches reach the thousands of other kids in similar situations. Tim left a successful career as a businessman and professional trainer to start **One2One Mentors**; a ministry dedicated to helping churches run **safe** and **effective** mentoring programs.

Mentoring is simply a one-to-one relationship between a caring adult and a child. It is a way for us to follow the call of our Heavenly Father. James stated: *"This is pure and undefiled religion in the sight of our God and Father, to visit orphans and widows in their distress, and to keep oneself unstained by the world."* **

One2One Mentors is a strategic partner of the Christian Association of Youth Mentoring (CAYM). Our vision is to promote and support a movement where every church and ministry sees mentoring as a vital tool in reaching vulnerable youth in the church and an essential outreach to kids and families in the community. Tim was trained through our Christian Mentoring Institute and is prepared to lead others in the best practices of mentoring to ensure that the ministry is run safely and effectively.

Tim and CAYM work together to bring the best training, materials and support to you so that kids and families can be reached with the hope of Christ through a caring Christian mentor. You can trust the leadership and support he brings.

In Christ,
