

Who we are...

Our Vision...

To see the lives of hurting youth transformed with the love of Jesus Christ through one-to-one mentoring relationships.

Our Mission...

To train and equip Christ-centered mentoring ministries that will engage and impact future generations for Jesus Christ.

Our Goal

To ensure that all of the churches and ministries that partner with us are relieved of the challenges involved in starting and sustaining a mentoring ministry from the ground up. One-2-One will make sure that churches and their people are fully equipped, supported and trained to establish and maintain a God-centered, Christian mentoring ministry in their own church or organization.

Our Focus...

To provide consistent and effective leadership, training, curriculum and consultation critical to launching and sustaining successful long-term mentoring ministries in local churches and para-church organizations; making sure the ministries are **effective**, **efficient**, and **safe**!

Our Prayer ...

That Christian men and women will experience the true joy of God the Father by expressing His love through the compassionate acts that Jesus modeled for us as He went out and **engaged** the lost, the hurting and the hopeless. He dared do the unthinkable and eat with tax collectors and sinners, allow a prostitute to anoint Him with perfume and even hug a leper. We pray that God's people will have the desire and the courage to "... ***let us not love with word or with tongue, but in deed and truth.***" In His glorious name we pray. AMEN!
