What Our Partners are saying about One-2-One Mentors

“One-2-One has not only saved us time and money but has provided us with phenomenal training and insight. God has fulfilled a great need with the partnership between CFH-Moto and One-2-One Mentors.” *Darin Morris, Executive Director, CFH Moto, Inc., Tipp City, OH*

Here at NCCC, One2One-Ohio has given us what we need to work toward our mission of providing boys and girls with hope. The partnership has provided us with the philosophy, training, support and tools to develop Christian mentors for some of the youth we encounter in other ministries. Tim Spoleti’s heart for Christian mentoring to youth is very apparent in all of the training sessions. *Charlotte Wilson, Church Champion, North Cincinnati Church, Mason, OH*

One-2-One has been a great blessing to River of Hope! Tim is helping to equip us with a solid foundation to build a successful mentoring ministry. The guidance, support, and resources we have received is wonderful. The network of ministries and partners that One-2-One has connected us with is invaluable. We started with a big vision, but not knowing where to begin. It's great to have a partner like One-2-One to help develop a clear plan to build our program. *Marne Batels, Executive Director, River of Hope Ranch, Ministry Partner, Waynesville, OH*

The One 2 One mentoring program has provided Shiloh SDA Church with an invaluable operation concerning youth who are in need of positive Christian role models. Tim Spoleti conducted an excellent training format, which engaged the participants and gave them the information needed to become solid mentors. At present, five matches have been made through the church, each reporting positive results. Tim has been a great contact in providing ongoing advice, and following up correspondence and new training sessions when needed. I am looking forward to expanding this program to other churches in the area as well as developing more matches within Shiloh itself. There are many hurting youth within the greater Cincinnati Community, and One-2-One is doing something concrete to aid those who are hurting. I personally thank Tim and his staff/organization for a partnering with my church. It is a program both needed and will have eternal benefits. *Kenneth Williams, Ministry Coordinator, Shiloh SDA Church, Cincinnati, OH*
